

# Construction Specifications Canada Grand Valley Chapter

## Meeting Notice - Lunch Seminar

Working at Heights – Proposed Changes to OHS Regulations  
With Guest Speaker  
John Knegt  
Battlefield Equipment Rentals

Mr. John Knegt is the Regional Safety Trainer (Southwestern Ontario) for Battlefield Equipment Rentals. He has been involved in company safety since 1971 in the industrial sector, and since 1986 in the construction sector. He has developed corporate safety cultures, and developed and implemented safety policies and procedures, including training and enforcement for both internal staff at Battlefield, and construction personnel with various contracting firms across Southwestern Ontario.

Mr. Knegt's presentation will discuss:

- What the upcoming changes to the existing legislation are;
- Why these changes are being made and;
- How contractors will need to change the way they work at heights in order to comply with the new regulations
