

# April Meeting Notice

CSC Winnipeg invites you to join us on April 12<sup>th</sup> for a presentation on

## Manitoba Hydro Incentives

Join Toban Vexzon (Power Smart for Business Sales Representative for Manitoba Hydro) for an illuminating presentation on how to take full advantage of the many Power Smart Programs available for commercial buildings. Building owners and property managers can upgrade their existing facilities with high quality, energy efficient products at lower up-front costs thanks to a variety of financial incentives. Participating in Power Smart programs helps lower energy consumption, reduces utility bills, and improves overall building quality. Manitoba Hydro Power Smart has more than a dozen programs available for commercial customers; however, this event will focus primarily on some of the most popular programs including:

- the [Commercial Lighting Program](https://www.hydro.mb.ca/your_business/lighting/index.shtml)
